

HARVEST LADIES GOLF CLUB

The 2023 Executive of the Harvest Ladies Golf Club (HLGC) is very excited about our upcoming golf season, which will officially kick off on Tuesday, April 4th and end on Tuesday, September 26th. Keeping in mind that the primary goal of the HLGC is the enjoyment and the furtherance of golf, we are very excited to be adding several events, which are added enhancements to becoming a member of the HLGC:

- Golf Clinics put on by our fabulous golf professionals
- 2 Shotgun starts for the Ladies, enabling an all together social time following the round
- Reinstating 2 Ladies' Nights which will be preceded by a meal to round out the evening
- New Member's Welcome Social as part of our continuing Ambassador Program

Our opening Spring Dinner is planned for Monday, April 3rd. This fun evening is a wonderful opportunity for new members to meet others and for returning members to renew golfing friendships. It is a highlight to the beginning of our year so we encourage our members to attend.

Our ladies group has members with handicaps ranging from low (under 10) to high (40+). All golfing abilities are accommodated and welcome. Whether you are a seasoned golfer, a novice, or if you fit somewhere in between, all members are invited and encouraged to sign up for our Tuesday games. Games range in a variety of formats, with prizes being awarded for skilled and not so skilled abilities. We also encourage you to participate in the HLGC Match Play, our annual Harvest Cup Team Challenge, Interclub play and our Harvest Ladies' 2 Ball Tournament which is scheduled for Monday, July 24, 2023.

Like last year, we are asking all members, whether you are a returning or a new member to the Ladies Club, to complete our online registration form by following the link on the Harvest Ladies Golf Club website. If you are wanting to play on our opening day, April 4th, then your registration must be received no later than March 15th. Please note that there is no payment option on this form for your fees, however there is a mandatory acknowledgment on the form that must be accepted stating that your fees of \$50.00 will be charged to your Harvest account for the 2023 golf season. The sign up for the games is also found on the HLGC website, as well as other helpful information like the member handbook.

The HLGC prides itself on a friendly, welcoming atmosphere. Come join us for exercise and camaraderie while enjoying golf with some of the wonderful ladies at Harvest Golf Club. The 2023 golf season looks to be a fantastic year!

Barb Shortreed
Harvest Ladies Golf Club Captain, 2023
