The Harvest

# <u>Special Maintenance</u> <u>Project</u>

# **Sodding**

The sod required to repair our ground under repair areas was initially ordered last fall from the Fraser Valley. Unfortunately, this sod was severely affected during the lower mainland floods in November. Fortunately, THGC has been able to secure a new source of sod. The first delivery is scheduled for tomorrow, April 6th.To protect newly laid down sod, irrigation water is required. As of Monday, April 4th, THGC is now permitted to begin using irrigation water. As new sod can not sit on pallets for any length of time, work will begin immediately upon reception. The estimated area sprawls over 40,000 sq feet.

Consequently, this process will continue over the next couple of weeks or until completion.

We respectfully request all golfers to avoid walking through the ground under repair areas. Footprint/tire tracks disturbance of these specific areas will delay

golfers' cooperation, as this will mitigate lengthy disruptions of this project.Practice FacilityApril 4th - 10thMonday 7:30 am - 6 pm6 pmTuesday 6:30 am - 6 pm6 pmWednesday 6:30 am - 5 pmThursday 7:30 am - 6 pmThursday 7:30 am - 6 pmFriday 6:30 am - 6 pmSaturday 6:30 am - 6 pmSaturday 6:30 am - 5 pmApril 11th - 17thMonday 7:30 am - 6 i30 pmControl 11th - 17thMonday 7:30 am - 6 iso pmControl 11th - 17thMonday 7:30 am - 6 iso pmControl 11th - 17thMonday 7:30 am - 6:30 pmControl 11th - 17thMonday 7:30 am - 6:30 pm		6:30 am
