

## UPDATE AS OF MARCH 2022

Dear Guests of The Harvest Golf Club,

As we continue to monitor the affect of COVID-19, we wanted to share the actions that The Harvest Golf Club is continuing to keep our facility clean and safe for our guests and teammates.

Below are the measures that we are continuing to take to keep our facilities safe, as well as our expectations for guests using the facilities. As we navigate through these uncharted times, measures will evolve as we go forward in the season.

- Increasing sanitation in public spaces and commonly touched areas.
- Hand sanitizing stations will be provided in the golf shop, clubhouse, driving range and entrances/exits of the Men's and Ladies locker rooms.
- On course water coolers are no longer available. Water is available for purchase while we are providing you handsfree water dispensers in Men's and Ladies locker rooms. We strongly encourage you to bring your own bottle.
- To alleviate congregating around the hole, please "continually putt". Meaning, once you begin putting, putt until the ball is holed. Do not mark the ball after you begin putting.
- Power carts will be available. Two passenger /cart rule are expected.
- Rickshaw pull cart handles will be sanitized.
- Sand bottles will be sanitized on both power carts and Rickshaw pull carts.
- Practice Facility – the ball machine will be disinfected throughout the day.
- Chipping & Putting-large congregation should be avoided.

Our expectations of our guests are as follows:

- Stay at home if you or anyone in your household have any symptoms of COVID-19.
- Practice social distancing by staying a minimum 2 meters or 6 feet away from other people at all times.
- Wash your hands or sanitize often while at the facility.

### CLUBHOUSE FACILITY

The Harvest Clubhouse (Masa's Grill restaurant) is now open 7 days/week for breakfast, lunch & dinner as well as the Kiosk for food & beverage service. For seating in the clubhouse, balcony, and lower patio areas we have requested that everyone access from the main doors and speak with a hostess. We highly recommend reservations being made as we still have limited seating. Cash is accepted as payment along with credit card/debit or using member club account.

We will continue to exercise all precautionary measures. We all have a moral, social, and personal responsibility in trying to keep one another safe and prevent any reoccurrence of the virus. We respectfully ask for your full and patient cooperation about the above measures or any changes moving forward. Golf is believed to be safer grounds and may also provide much needed diversion, exercise, and fresh air, in distant company of congenial friends. **Anyone that does not comply with the above expectations may be asked to leave immediately.**

We will continue to monitor the risks associated with COVID-19 daily and we will adjust our precautionary procedures, as necessary.

May you stay safe, healthy, and comfortable.

Kindest Regards,

Gilles Dufort  
Executive Professional/General Manager  
Harvest Golf Club LTD.
