Harvest Ladies 2 Ball

On behalf of the Harvest Golf Club we would like to thank the committee of Harvest Golf Club members for another successful event in support of Mamas for Mamas. The event had 120 players and was won by Harvest member Catherine Buchanan and former Harvest Golf assistant professional Kristen Finlayson.

BC Pro/Junior Tournament

The Harvest Golf Club was well represented at the 2024 PGA of BC Pro / Junior event at Shadow Ridge Golf Course. The event brings together skilled

professionals and enthusiastic junior golfers, fostering a spirit of mentorship and camaraderie. Director of Instruction, Jeff Overholt and Assistant Golf Professional, Lucas Rachkowski teamed up with 6 junior golfers who participate in the Harvest Golf Club's Operation36 junior coaching program. Players are selected based on the number of points accumulated through logging practice and play in the Op36 mobile app. Shadow Ridge GC provided a stunning backdrop as the teams navigated challenging holes and celebrated best shots in Team Best Ball format. Overall, it was a day of growth, teamwork, and shared passion for the game of golf.

Semester 2 of our Operation36 coaching program will kick off the last week of August and run until the middle of October. There is still some room in the program and any interested families can register through the link below:
