Harvest Cherries:

Despite adverse weather that has affected fruit crops throughout the Okanagan and limited expected cherry crop (approximately 30% of a regular year) we are pleased to inform you that cherry orders can be placed now. As years previous, lapin cherries can be purchased in 20 pound boxes. This year they will cost \$80 per box. Orders must be paid in cash at the day of pickup.

If you are interested in placing an order, contact:

rbuchanan@harvestgolf.com by July 10th

Given the abnormally cold spring & early summer, cherry harvest is expected no sooner than July 15th (weather dependant). We will keep you posted in this newsletter when pickup time approaches.
