## Reminder

1. For each active member, THGC must receive an application form to process your membership. This is very important and helpful for THGC to help maintain an up-to-date membership account for all of our members.  
I.e. with a couples/silver/gold membership, we must receive an individual application form for all players.
2. Once your application form has been renewed, the default, if no arrangements have been made, is that your membership will be charged in full on November 30th.  
However, if you would only like to pay the deposit on November 30th, please email [membership@harvestgolf.com](mailto:membership@harvestgolf.com), and this can be arranged.
3. **Corporate Members only** - When selecting how many passes are needed, please choose how many passes you as an individual will need, not the total number required for everyone on the corporate membership.

**4. If, for whatever reason, you did not receive, lost, or need another SignNow link, please email [membership@harvestgolf.com](mailto:membership@harvestgolf.com), and THGC will be able to provide you with a new link**
