#4 Tee Update

Effective Monday, September 19th, #4 Men's Tees (White, Blue, Black) will be closed for the remainder of the 2022 golf season. This is to facilitate the much-needed expansion of these tees boxes, which have long been in substandard condition due to the extremely small size combined and increased amount of play we have experienced in the previous years. Given that the location and current shape bring a higher difficulty level, a fair amount of earth moving and shaping will be required to ensure the result will improve playability. Once completed, this should change the playing characteristic of this tricky par 3 to a small difficult green. This project may take two weeks to complete from start to finish. We want to sod the surface this fall so that it may be reopened in May 2023 (estimated).

The 4th tee surface will be resodded with bent grass (extreme variety 7,000 sq feet) turf from the lower mainland and an additional 15-20 thousand sq feet of bluegrass to frame the new

laid tee walls. Inherently bent grass requires a more extended period to root, especially since we are moving into the fall and winter very soon. Combined with the cold spring that typically prevails, we would like to allow the sod to be strong enough to be prepared for play while still allowing the sod to root down and create a solid foundation. If we were to delay this project and sod in the 2023 spring, it would be unlikely that the 4th tee would be playable before June. Therefore, we believe that closing at this time of the year is the best decision ergonomically. All tees, Green, White, Blue & Black, will be positioned at the forward tee location for the remainder of the season until the expanded tee fit for play. Thank you in advance for your patience and understanding on this much-needed project. If you have any questions, please do not hesitate to contact me at your convenience or stop by my office in the golf shop.

Sincerely
Gilles Dufort
General Manager / Executive Professional

Ironman Event

The Harvest Golf Club is excited to announce the return of the 2022 Ironman Tournament on Saturday, October 22nd and Sunday, October 23rd.

You can play either Saturday or Sunday in the 11 am shotgun start or if you're adventurous - play both days!

The cost is \$100 for members and \$125 for guests. This includes golf, shared cart, driving range, on-course beverage, premier buffet dinner and a
